BOWMAN DISPENSING & STORAGE SOLUTIONS
Adaptable to any setting where PPE is required

¹ See page 76 for extended material and color information. Colors may vary. Not all colors or materials are available for all dispensers. Use the material codes shown in this catalog as a reference for what a particular dispenser is made from. Custom options are also available. Call BOWMAN or check with your distributor if you have questions.

EARLY PLANNING LEADS TO SUCCESSFUL BUDGETING, SCHEDULING, AND ON-TIME DELIVERY

Infection control policies have shaped healthcare design, making PPE dispensing an essential aspect of any construction or remodeling project. To deliver your project on time and under budget, early planning is critical.

The BOWMAN Dispenser line contains an extensive selection of PPE dispensing solutions to meet a wide range of design, budget and material applications, in both stocked and custom designed offerings.

BOWMAN offers custom design and manufacturing services for dispensing solutions on walls, recessed in walls, or inside cabinet mounting applications if a stocked dispenser is not applicable for your project.

5 OPTIONS TO FIT ANY PROJECT OR BUDGET

Select and order dispensers for your next project with ease. From stock designs to custom creations, BOWMAN has your needs in mind.

STOCK DESIGNS

Check out material & color options on page 76.

- ✓ Ready to install
- ✓ Variety of colors and materials
- ✓ Expedited shipping available
- ✓ Convenient for projects with a quick turn-around
- ✓ Preferred choice for standard locations

* IMPORTED

All consumable items are for demonstration purposes only and are not available for purchase through BOWMAN®.

Protection Systems Choose from Cherry or Maple Fauxwood. (AFP)

PS016-0233

PS016-0223

Major Benefits

APPEARANCE

Our fauxwood material is engineered to have a natural grain appearance in both Cherry and Maple finishes. The two color choices provide a visually appealing, upscale option for any area.

PATIENT SATISFACTION

Patients demand quality care in a comfortable care setting. Integrate

the **BOWMAN Signature Series** fauxwood dispenser line to offer patients an at-home feel to their healthcare experience.

STRENGTH & DURABILITY

ABS plastic is chemical and stress-crack resistant. It is tough, dimensionally stable, and will hold up to long-term use. These qualities make it perfect for a wide variety of applications, including medical and laboratory equipment.

CLEANING

BOWMAN Signature Series products can be cleaned with standard hospital cleaning products.³

CUSTOMIZATION

Most dispensers can be made with Signature Series materials and color. Minimum order quantities may apply.

³Avoid using petroleum-based oils, solvents, and paints on Signature Series products.

Glove Box Dispensers Three-way keyholes for vertical or horizontal mounting.

PATENT PENDING

VIOLATION

Corridor CLUTTER

is one of the TOP 10
costly JCAHO⁴ violations

**VIOLATION of
Life Safety Code
LS.02.01.20:
MAINTAIN THE INTEGRITY
OF THE MEANS OF EGRESS**

⁴The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) is an organization which develops and maintains standards of quality in medical facilities in the United States.

Convenience and Accessibility

- BOWMAN Protection Systems provide a versatile option for standardizing the locations of Personal Protective Equipment (PPE) supplies in patient care areas.
- Protection Systems are utilized in high traffic, highly visible locations outside patient rooms.

Versatility

- **Permanent**- BOWMAN Protection Systems are designed to be used for standardization of location of protective equipment for everyday protection by placing units permanently on walls outside of patient rooms.
- **Dual Purpose**- When infection is identified, the isolation sign can be added to the wall unit, converting it into an isolation station.
- **Portable**- The Protection Systems can be hung intermittently on patient doors and are a cost effective adjunct to existing isolation carts.
- **Consumable Products**- The system is designed to fit consumable PPE products from most major manufacturers.
- **Easy Access**- The unit has no doors or drawers allowing for easy access and visualization of consumable products.

Safety

- **Clear Corridors**- Protection Systems provide organization of PPE supplies, reducing clutter in high traffic areas by mounting units on walls or doors located near patient rooms, eliminating the potential for blocking entry and exit ways.
- **Visible Cue**- Supplies are highly visible to staff and visitors, improving compliance with isolation policies related to PPE donning, thereby decreasing the potential for costly HAI's (Healthcare Associated Infections).

Cost Effectiveness

- BOWMAN Protection Systems provide the same level of protection as isolation carts at a fraction of the cost.
- Save time and money during the restocking process by having the PPE dispensing areas visible without doors or drawers to block the view.

Education

- Essential Infection Control signage can be added to the BOWMAN Protection System to ensure proper isolation is initiated and maintained.
- BOWMAN offers free isolation signs on our website www.BowmanDispensers.com

▶ PERMANENT MOUNTING OPTIONS

Dual Function

Standardization of PPE Location

Increase compliance by mounting the BOWMAN Protection System to the wall outside of each patient room so protective equipment is available to protect staff at all times.

Keyholes

Keyholes enable permanent mounting to a wall. (PS016-0233 shown)

Isolation Unit

By adding the clip-on sign holder, the unit becomes an isolation station when patients require isolation.

Permanent mounting to a wall with isolation sign (MP-047 and PS016-0233 shown)

Permanent Wall Hanger

Permanently mounted wall hanger located outside each patient room holds Protection Systems intermittently when patients require isolation.

Utilizing a Wall Hanger (MB-510 and PS016-0212 shown)

MB-510 CRS
Hanger - Wall

▶ PORTABLE MOUNTING OPTIONS

Traditional Door

Our most popular standard hanger, MB-600, holds BOWMAN Protection Systems on standard sized doors. The MB-601 is designed for extra tall doors.

Protecting Ports of Entry

TOP BENEFITS OF BOWMAN RESPIRATORY HYGIENE STATIONS & FLOOR STANDS

Place on a counter in a medical office or clinic

Versatility

Most units may be mounted to a floor stand, hung on a wall, or set on a counter.

Cost Effectiveness

Infectious outbreak investigations and staff absenteeism are very costly. BOWMAN Respiratory Hygiene Stations provide the items needed to support efforts in preventing the transmission of infections.

Convenience

Placed where infection prevention supplies are needed most—at ports of entry.

Durability

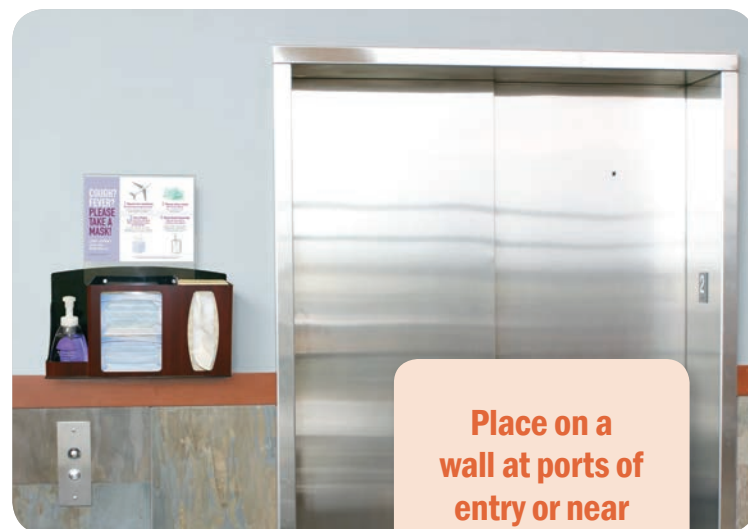

BOWMAN Respiratory Hygiene Stations are made of aluminum or ABS plastic.

Accessibility

Standardizing the location of infection prevention and supplies.

Place in a lobby or waiting room—mounted on a floor stand

Place on a wall at ports of entry or near an elevator

New Material

MP-070 (PET)

THE TOP 5 BENEFITS OF BOWMAN UNIVERSAL DISPENSERS

1. Holds most major manufacturers' sterile procedure area PPE products such as bouffant caps and shoe covers, plus industrial wipes and masks
2. By incorporating our spring design, our universally sized dispensers securely hold a variety of box sizes
3. 3 different designs to accommodate different geometric shaped boxes
4. 3 styles hold over 95 different boxes from major manufacturers, including: Cardinal Health, Halyard Health/Kimberly-Clark, MediChoice, Medline and more
5. For a complete list of compatible products, please see the cross reference on pages 66-67

Biohazard Bag Holders

**Convenient
& Easy
to Use**

- ✓ Holds a one, three, or five gallon biohazard bag
- ✓ Screw holes for wall mounting
- ✓ Made of white coated-wire
- ✓ Easy-open ABS plastic hinged lid

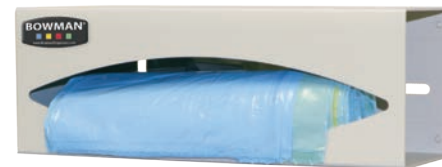

MW-001* (ABS) (WIR)
Biohazard Bag Holder
1 Gallon

MW-003* (ABS) (WIR)
Biohazard Bag Holder
3 Gallon

MW-005* (ABS) (WIR)
Biohazard Bag Holder
5 Gallon

BG001-0512 (ALM)
Bag Dispenser - Single
Holds one roll of bags up to 9.50" long and 3.40" diameter
Also available - BG001-0212 (ABS)

BG002-0512 (ALM)
Bag Dispenser - Double
Holds two rolls of bags up to 9.50" long and 3.40" diameter
Also available - BG002-0212 (ABS)

PS004-0111 (PET)
Protection System
Glove and Bag
Holds one roll of bags up to 9.50" long and 3.40" diameter
Also available - PS004-0212 (ABS)

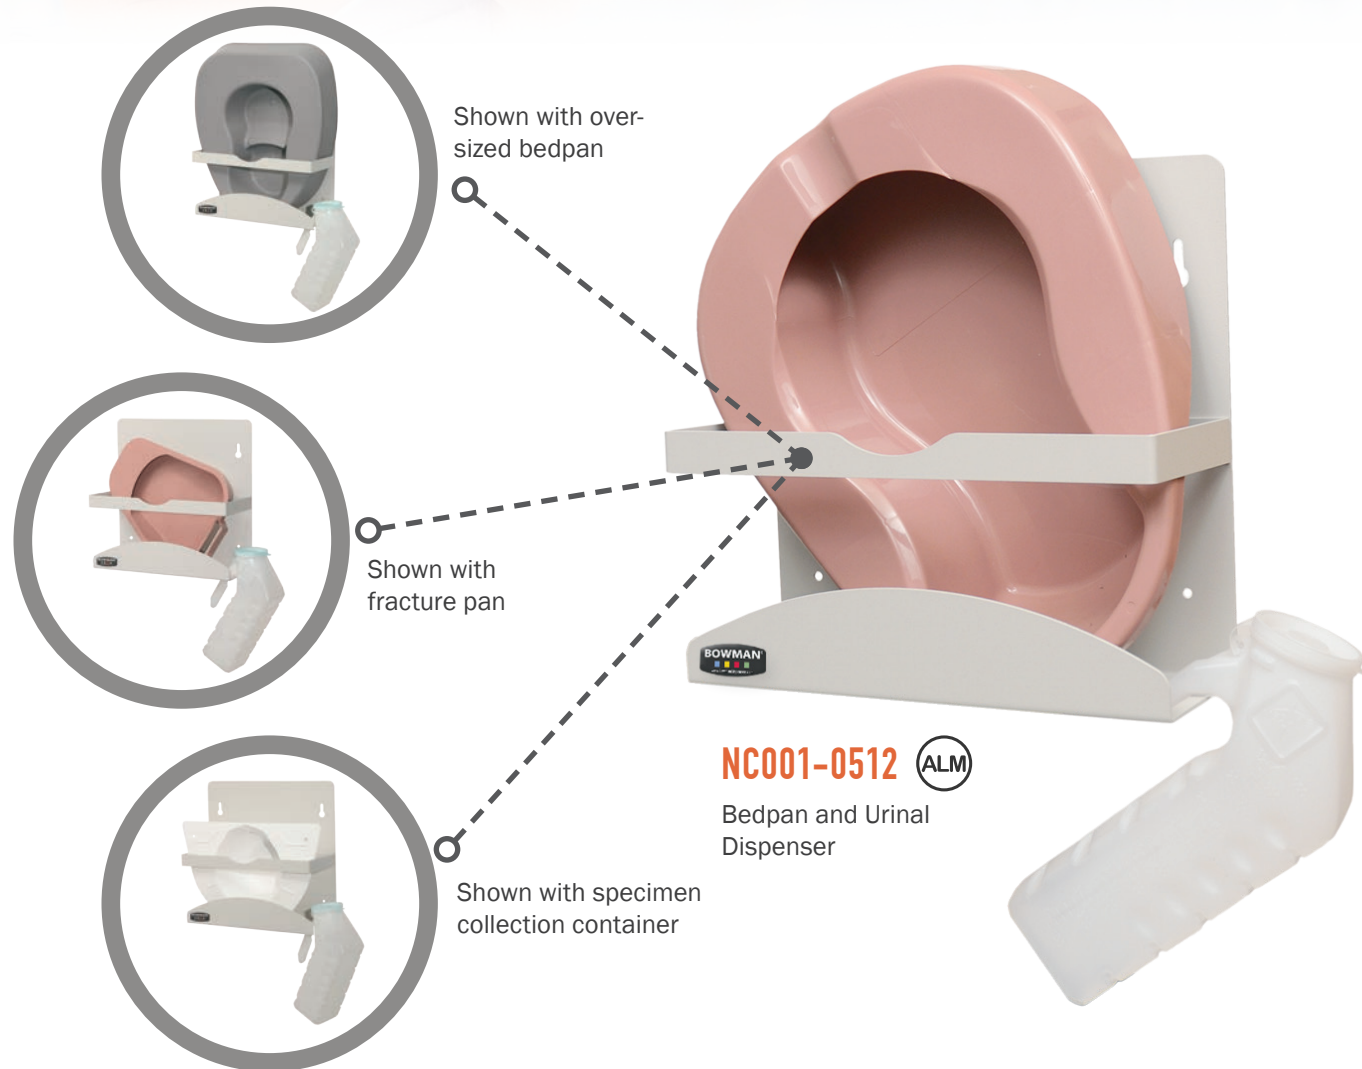

BG008-0111 (PET)
Bulk Dispenser
Flat Pack Bio Bag

New
BG009-0512 (ALM)
Bag Dispenser - Single
Large Capacity
Holds one roll of bags up to 12.00" long and 6.00" diameter
Two way keyholes for vertical or horizontal wall mounting
If bag roll weighs more than 4.5lbs., dispenser must be mounted vertically

Bedpan & Urinal Dispenser

Disposable Wipe Dispenser

- BWX01-0412 (CRS)**
 Disposable Wipe Bracket
- Expandable from 3.12" to 5.50"
 - Front Loading
 - Mounts to a wall for stationary placement

BWX01-0412 Cross Reference Guide

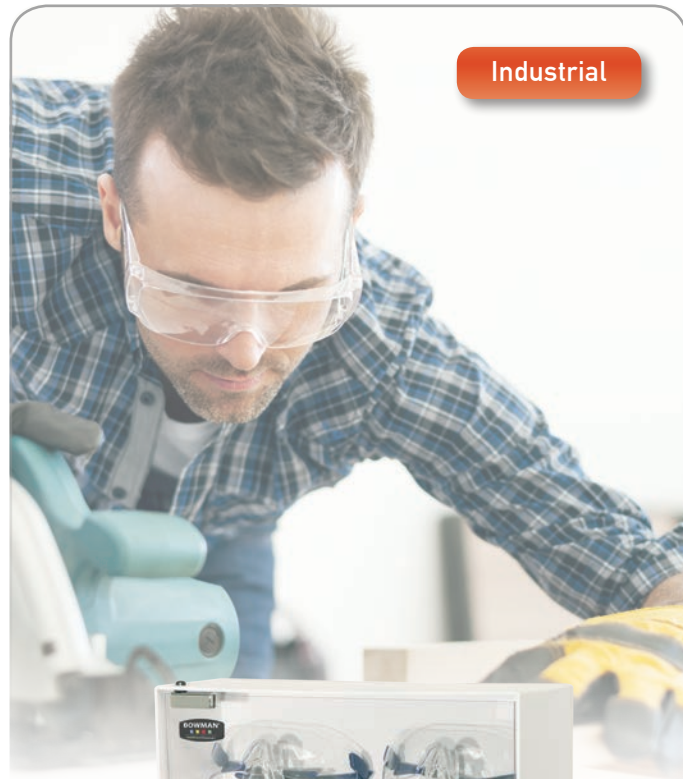

Manufacturer	Product #
Clorox	01594, S-15766
Halyard Health Kimberly -Clark	30760, 58028, 58040
